**Authorization and Assignment of Insurance Benefits/Release of Medical Information:** I authorize and request my insurance company to pay benefits directly to M-Care Healthcare for services rendered. I authorize the release of any medical records and/or other information required by my insurance company or its designated review agents who provide insurance benefits on my behalf, including, if applicable, my employer, employer's workman's compensation insurance company, the Social Security Administration and/or the Centers for Medicare & Medicaid Services, needed to determine benefits, process insurance claims, and secure payments of benefits to either the insured or to M-Care Healthcare. Additionally, I will submit fully completed claim forms as requested by my insurer or M-Care Healthcare.

**Referrals and Authorizations:** If I have an insurance plan that requires any referrals, pre-certifications and/or authorizations, I understand that it is my responsibility to obtain approval from my insurer for medical services prior to services being rendered by notifying my PCP of my request and providing all required documentation. If any medical services are rendered without the proper insurance approval, I understand that this may cause reduced or rejected coverage for which I will be held responsible, and that any of these aforementioned actions do not guarantee that my insurer will pay for the claims. Any denial of claims is between the policy holder and my insurer. I understand medical services may not be rendered without the proper referral on file.

**Financial Agreement:** I agree that payment in full is due at the time of treatment. I understand that if my insurer refuses to cover any or all charges for services provided, that I am responsible for and agree to pay any all charges denied by my insurance company. Any questions or disputes concerning insurance coverage or payment of benefits are a matter between the policyholder and the insurer. Any assistance in these matters granted by M-Care Healthcare is given strictly as a courtesy and implies no responsibility on M-Care Healthcare's part for filing, follow through, or confirmation. I agree that if for any reason a check is returned on my account, I will be responsible for a \$25.00 returned check fee in addition to the original fee(s) for service(s). Should any balances arise due to insurance co-payments, co-insurance, deductibles, termination of coverage, not adding a dependent to insurance plan, non-payment at time of service, and/or any other reasons, I agree to pay all charges within 30 days of services rendered. I understand Fenway Health reserves the right to retain the services of an attorney and/or collection agency to assist with the collection of any outstanding balance and to notify credit bureaus of my delinquencies.

**Certification:** I certify the information I provided above is true and complete. I agree to inform M-Care Healthcare immediately of a change in insurance coverage, benefits, or personal information. I permit a copy of this authorization and signature to be used in place of this original on all insurance claim and submissions, whether manual, electronic, or telephonic. I understand and agree that the terms herein are reaffirmed each time services are rendered.

## No-Show Policy

As medical professionals, we are committed to keeping our community as safe and healthy as possible during the current COVID-19 pandemic. In an effort to preserve social distancing, we are scheduling appointments with generous time slots in order to limit the number of patients in the waiting room at any given time. Please take a few minutes to review our no-show policy and sign at the bottom of the form. If you have any questions, please let us know.

### Definition of a “No-Show” Appointment

A “No-show” appointment is any scheduled appointment in which the patient either:

- Does not arrive to the appointment.
- Cancels with less than 24 hours’ notice (consideration will be given for extenuating circumstances).
- Arrives more than 15 minutes late and is consequently unable to be seen.

### Impact of a “No-Show” Appointment

“No-show” appointments have a significant negative impact on our practice and the healthcare we provide to our patients. Available appointments are in high demand and no show appointments are unfair to those patients who are waiting to schedule and disrespectful of staff time.

### How to avoid getting a "No-Show"

- Cancel or confirm your appointment prior to 3pm the day prior to your appointment to give our staff time to rebook the slot with another patient.
- Arrive 5-10 minutes early to your appointment to ensure that we are able to address any insurance or billing questions and/or to complete any necessary paperwork before the scheduled visit time.

### Consequences of “No-Show” Appointments

- A \$25.00 No Show fee will be assessed. This fee is not reimbursable by your insurance company and you will be billed directly for it. The service charge will have to be paid in full in order to schedule your next appointment.
- No medication refills will be given until a follow-up appointment is scheduled and kept.
- If you no-show 3 or more appointments, you may be dismissed from the clinic at the discretion of your medical provider.
- If you are dismissed, further scheduled appointments will be cancelled. Routine medications will be refilled if due within 30 days of dismissal. Controlled substances will NOT be refilled.

We understand there may be times when an unforeseen emergency occurs, and you may not be able to keep your scheduled appointment. If you should experience extenuating circumstances where prior notice could not be given, consideration will be given, and a one-time exception may be granted. You may contact M-Care Healthcare LLC at (316)461-0339. If you do not reach a staff member, please leave a message.

I have read and understood the M-Care Healthcare “No Show” Policy as described above.
